

On-site Maths Activity

Patterns

stirchley baths

There are patterns all around us. During your visit to Stirchley Baths look out for patterns.

Can you draw the:

Pattern of the bricks in the wall:

A large empty rectangular box with a black border, intended for drawing the brick pattern from the photograph.

Pattern of the tiles on a roof:

A large empty rectangular box with a black border, intended for drawing the tile pattern from the photograph.

Can you find another repeated pattern and draw it here. Where did you find this pattern?

A large empty rectangular box with a black border, intended for drawing another repeated pattern from the photograph.

Pattern Detective

Have a look around the building for the following patterns. Tick off when you have found them. Where did you find them?

I found this pattern _____

I found this pattern _____

I found this pattern _____

I found this pattern _____

Did you find all 4 patterns?
